Civil Action No. -CV-

**PLAINTIFFS' EMERGENCY MOTION FOR TEMPORARY RESTRAINING
ORDER AND/OR PRELIMINARY INJUNCTION AND WAIVER OF BOND**

Plaintiff Hellenic American Council hereby move for an emergency temporary restraining order: and subsequent preliminary injunction against the Defendant(s) upon a full hearing, in that the facts as presented in the verified complaint indicate an immediate and irreparable injury, loss or damage will result to the Plaintiff before the adverse party or their attorney can be heard in opposition.

Plaintiff is a Massachusetts corporation, with nonprofit status. The continuous use by the Defendants of an email account which is deceptive and the constant dissemination from that account of false and inaccurate communications under

the iconic guise of authority causes significant confusion and defamation of HANC necessitating the issuance of an immediate injunction to inhibit the irreparable harm that is imminent.

The creation of false email mode of communication that infringes on HANC and purports to be from HANC falsely and the cc., of communications to foreign prime ministers, ministers, embassies and other non-administrative or legal entities that this 501(c) (3) entity does not account to is politically motivated and calls into question the motives of the perpetrators. Upon information and belief, the acts of said Defendant or Defendants violates numerous state and federal criminal statues pertaining to computer/internet use.

Furthermore, Defendant has caused to have called an Election of HANC for April 24, 2021 upon information and belief in Astoria, NY and has proceeded to contact proper members in god standing and former members of HANC under the guise of HANC in order to create a change of the Executive of the company without further compliance of Bylaws, laws and Robert's Rules of Administration of an entity.

Whereas Plaintiff requests the issuance of issue an emergency injunction ordering the Defendants the following:

1. To stop Using email: hanc-presidents-forum@outlook.com as it is confusing, deceptive and otherwise infringes upon the Hellenic American National Council, its executive and its members in good standing;
2. That the server of this email, Outlook suspends its use until further Court order.
3. Enjoining any purported elections of HANC until this Court determines

who is eligible to vote and in good standing and any said purported elections prior to a full hearing is considered null and void.

4. That this Court further orders that Annual Meeting and Elections of HANC be scheduled for October 9-10, 2021 per the decision of the members in good standing, until further hearing by this Court for an alternate date.

In support thereof, Plaintiff states it has have made a good faith effort to contact and confer with the defendants regarding the subject of this motion, including by holding repeated telephonic calls between Plaintiff's attorneys and an attorney that claims he represents the Defendants and who refused to accept service. That said Defendants refuse to postpone purported further action till a Court makes a ruling and they do not leave room for discussion in the interim and are adamant that they will continue to cause irreparable harm by announcing a new Executive on April 24, 2021 that will purportedly be elected. The constant press releases and cc to foreign government entities with ties to certain individuals is very troubling and causes significant harm not only to reputation but to the potential of destroying the delicate value of the nonprofit status considering the agenda upon information and belief and from piecing information together is to use foreign money to lobby in the USA, that will be received under the guise of charitable contributions from overseas. Since this is a public interest issue as well, and considering the status of the Plaintiff as a nonprofit, the Plaintiff asks this Court to waive the necessity of Bond.

The Plaintiff hereby incorporates the Verified Complaint as well as other affidavits and exhibits in support of this Emergency Motion. Plaintiff requests any

other order this Court can place until a ruling on the merits of this case.

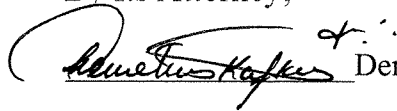

In support of the Motion, Plaintiffs rely on their Verified Complaint, the Memorandum submitted herewith, the Affidavit of the President of HANC, and the Affidavit of the Secretary of HANC and the Exhibits attached thereto.

Respectfully Submitted,

Hellenic American National Council Inc. Plaintiff,

By Its Attorney,
